

## *Bird Walk in Greenland*

### *Seacoast Chapter of NH Audubon is leading a bird walk on Weeks Brick House Trails*

This conservation area boasts barred owls, pileated woodpeckers, herons, wood ducks, warblers, kingfishers, and more. We have seen osprey and bald eagles flying over the Winnicut River on Brick House trails.

**Who:** Lauren Kras, President of Seacoast Chapter of the NH Audubon Society

**When:** Saturday, June 13, 7:00 – 9:00 AM, rain or shine

**Location:** Meet us in the parking lot of Me and Ollies on Rt. 33 in Greenland. We will drive a short distance to the beginning of the trail.
